HI-LITES

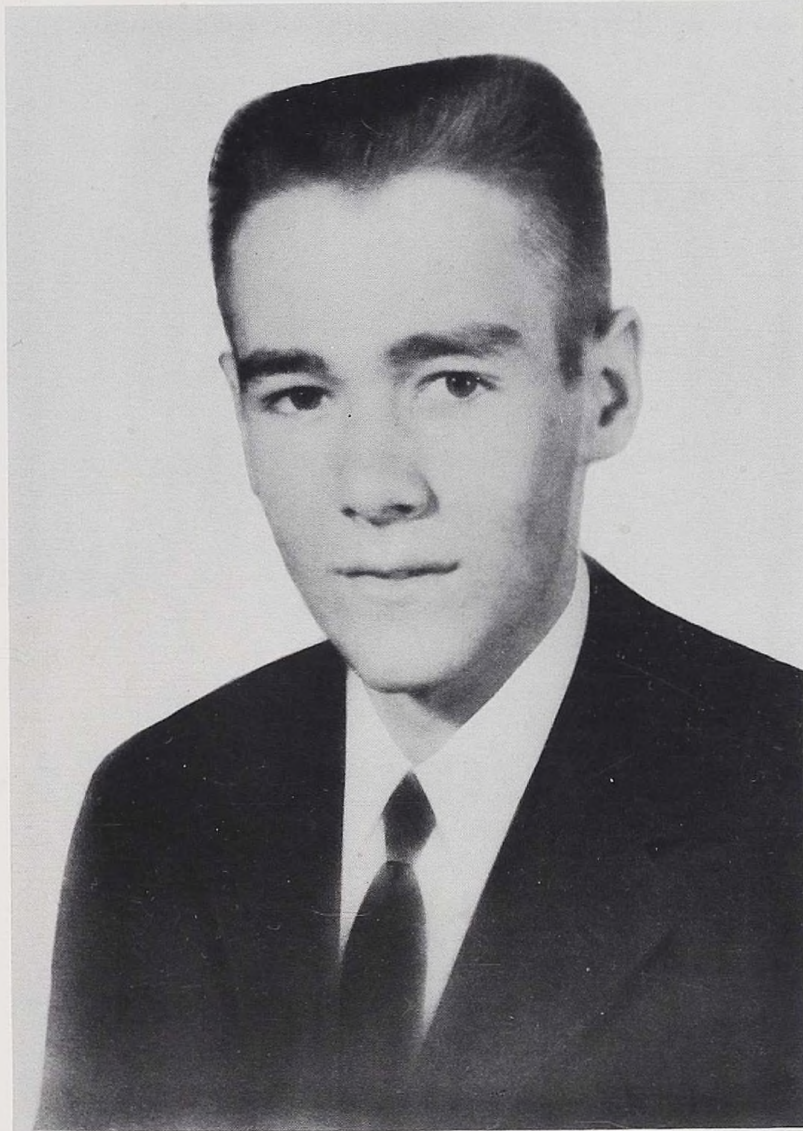

# Dedication

Robert J. Hermes, vice-president of the junior class, died in an automobile accident on January 8. The son of Mr. and Mrs. Henry Hermes, Robert was born February 12, 1944.

It seems that everywhere there is one vacant place. Indeed we miss Bob in every area of school life, for where there was activity, there was Bob.

Not only did he hold a place on the honor roll each six-weeks, but he went in wholeheartedly for extra-

curricular activities speech, chorus, and athletics. He was preparing for the county festival and for the annual co-op contest, both of which he entered last year. He held a position on the first team in basketball. The respect he held in his own class is evident from the fact that he was a class officer each year.

Surely it was not hard for Bob to give an account of his talents, for he had many of them and he used them exceptionally well.

A black and white photograph of a river scene. In the foreground, a large, dark fishing net is draped diagonally across the frame, its mesh pattern clearly visible. The net appears to be resting on a light-colored, possibly sandy or rocky, surface. In the background, a river flows through a dense forest. The water is somewhat turbulent, with visible eddies and rapids. The banks are lined with thick vegetation and trees, some of which have fallen logs or branches protruding into the water. The overall atmosphere is quiet yet dynamic, capturing a moment in nature.

*And clear the depths where its eddies play,  
And dimples deepen and whirl away.*
